

European Parliament Spring Talks: Health Policy and Implementation

13 March; 6pm

Sara Burke

Professor Sara Burke is an Associate Professor and Director of the Centre for Health Policy and Management, which is part of the Discipline of Public Health and Primary Care in the School of Medicine, Trinity College Dublin. She is also a co-Director of the national SPHeRE PhD programme <http://www.sphereprogramme.ie>. She is the Principal Investigator of a research project entitled 'Health system foundations for Sláintecare implementation in 2020 and beyond.'

Dimitra Panteli

Dimitra Panteli, MD, MScPH, DrPH, leads the work on innovation at the European Observatory on Health Systems and Policies. She studied medicine and public health and has been working in health systems research for 15 years. Dimitra's work at the Observatory aims at supporting evidence-informed decisions in health policy and practice, particularly around the implementation of different types of innovation towards strengthening health system performance.

Alex White

Alex White is Director General of the Institute of International and European Affairs, a think-tank based in Dublin. He served as Minister for Communications, Energy and Natural Resources from 2014 to 2016, and Minister of State for Primary Care from 2012 to 2014. He is a Senior Council.
